---

### Professional Summary

Innovative and results-driven Senior Information Technology Specialist with extensive experience in software engineering, process automation, and technical consulting. Proficient in leveraging Artificial Intelligence (AI) and Robotic Process Automation (RPA) tools to optimize workflows and drive innovation. Demonstrates exceptional communication and presentation skills, capable of delivering impactful training programs and engaging presentations to diverse audiences. Skilled in developing tailored software solutions using PHP, Python, MySQL, and cutting-edge AI tools. Passionate about continuous learning and applying advanced technologies to create value and solve complex challenges.

---

### Core Skills

- **Technical Proficiency:** Expertise in Artificial Intelligence (AI), Robotic Process Automation (RPA), and advanced programming with PHP, MySQL, Python, and GPT technologies.
  - **Training and Development:** Comprehensive experience in designing training programs, delivering impactful instruction, and conducting performance evaluations to enhance team capabilities.
  - **Software and Tools:** Skilled in UiPath, Agile methodologies, PowerPoint, and online learning platforms for effective project management and presentation delivery.
  - **Language Fluency:** Fluent in both Arabic and English, enabling seamless communication across diverse environments.
- 

### Certifications

- Artificial Intelligence for Everyone
  - UiPath Advanced Training Certificate
  - UiPath Foundation Training Certificate
  - Introduction to Agile Methodology
  - Microsoft Certified IT Professional (MCITP)
- 

### Professional Experience

#### Ministry of Higher Education and Scientific Research

##### Senior Software Engineer

*September 2023 – Present*

- Spearhead automation projects using RPA tools to streamline processes.
- Develop software solutions using PHP, MySQL, Python, and AI tools.

##### Software Engineer

*March 2023 – September 2023*

- Contributed to project development and process enhancement through innovative coding solutions.

##### Technical Consultant

*February 2023 – March 2023*

- Provided expert guidance for national projects in higher education.
- 

**NewVision Academy, El Minya, Egypt**

## **Senior Training and Development Specialist**

*April 2020 – November 2022*

- Assessed training needs and created customized learning materials.
  - Delivered technical training using diverse formats, including interactive lectures, online modules, and collaborative tools.
  - Managed program logistics, including scheduling, cost monitoring, and equipment setup.
- 

## **Freelance IT Specialist**

*October 2015 – July 2022*

- Conducted IT-related educational sessions for organizations and end-users.
  - Designed online courses and executed training programs on IT processes.
  - Provided technical troubleshooting training to minimize system downtime and enhance productivity.
- 

## **Melltoo (Remote)**

### **Product Developer**

*July 2016 – December 2017*

- Contributed to product design and development remotely, ensuring timely delivery of features.
- 

## **Other Roles**

- **Coordinator, Egyptian Software Engineers Association (October 2011 – December 2012).**
  - **Ambassador, Osharek.com (November 2011 – November 2012).**
  - **Microsoft Student Partner, Microsoft (September 2011 – September 2012).**
- 

## **Education**

- **Bachelor of Science (BSc) in Computer Science**  
**Faculty of computers and artificial intelligence**  
*Minia University (2008 – 2012)*
